The call to all Traditional Shooters of the Saginaw Valley Archery Association

The challenge gauntlet has been thrown down. The SVAA has created a new trophy called the "Traveling Traditional Trophy". This trophy is open to only traditional shooters.

Open to all adult male and female traditional shooters. Whether you shoot a recurve or longbow, you are eligible to help your club earn the bragging rights to host this traveling trophy.

You do not need to participate in a club league.

The only requirements are as follows:

- 1) Current member of an affiliated SVAA Club
- 2) Shoot Traditional bow equipment
- 3) Adult Male or Female
- 4) Shoot in the SVAA Indoor Winter Tournaments
- 5) Equipment follows the NFAA, MAA and SVAA guidelines.

The traveling trophy is based upon total participation point system. You do not need to have fancy equipment to participate. All skill levels are welcome to compete whether you are advanced, intermediate or novice. Camaraderie is the main goal of this venture.

Point system is as follows:

- 1point to all participating traditional shooters
- 4 points to 1st place participant in each division
- 3 points to 2nd place participant in each division
- 2 points to 3rd place participant in each division

The total points will be added weekly from the first club shoot thru the

Championship Shoot. The club with the most points will earn the honor to host the "Traveling

Traditional Trophy" for one year.

In which time the trophy will be returned to the SVAA Championship Shoot, for the following year, to be passed on to the next club recipient. Further information can be obtained through your club secretary.
