

WHAT'S NEW FOR 2024?

First there is no longer any MAA 420 rounds.

We now have an Indoor FITA 450 round that will be shot using 5 arrows per end

Note: we still offer the SVAA 450 round shot using 3 arrows per end

NFAA/MAA memberships fees have been increased

Shoot fees regrettably had to be raised this year.

Shoot fees are \$10 adults \$5 youth (17 yrs & under)

The SVAA championship shoot fees have also been raised to \$15 adults and \$10 youth (17 yrs & under)

Clubs – if your club is due for a range inspection, you can fill out the paperwork on Sport 80. Rick Hotchkiss will get notified and will then decide if a visional inspection is needed.

We want to welcome back Ore Creek Archery located in Lansing

And sadly had to say goodbye to Mid-Thumb Bowmen from Brown City
