.....

**IMPORTANT**

I need to remind all our archers of their shooting etiquette. When you are on the line please be considerate of your fellow archers. Try to develop a rhythm so everyone can shoot their arrows. Those not on the line try to keep noise down so shooters who are the line can concentrate

And again please make sure scorecards are filled out completely and correctly which includes the spelling of your name.

I'm also looking for more archers to get their results from the website and not hard copy in the mail. Let me know asap.

.....

**NEWS FLASH**

A very proud father wrote me a note on the back of his son's scorecard to let me know that his son had shot his very first ever **300** this weekend at Saginaw Field & Stream.

**Congratulations,** Joey Switala. Great job!!!

.....

**SHOOT DATES NEEDED**

Those SVAA clubs planning on holding outdoor target shoots should let me know their information – date, time, place and target to be shot as soon as possible.

All clubs hosting other shoots such as 3-D shoots this summer should give me their schedules and I will add their dates to the outdoor shoot schedule. Let's hear from everyone!!
